April 28, 2016

Dear Inline Group,

I want to personally thank you for assisting us with our recruitment efforts. We were able to hire a part-time Physician with extensive family medicine experience, as well as a fulltime Internist, who is now our Medical Director.

Working with Joseph Valdez and Kristin Netters, was a pleasure. They were both attentive and responsive to our needs. They truly made the entire process easy and effective.

Sincerely,

Jose Zamora
HR Generalist
