

NORTH HAWAI'I COMMUNITY HOSPITAL

AN AFFILIATE OF THE QUEEN'S HEALTH SYSTEMS

February 3, 2016

Jennifer Ostman
Account Manager
The InLine Group
530 E. Corporate Drive, Suite 100
Lewisville, TX 75057

Dear Jennifer,

I would like to take this opportunity to thank you and your team for your assistance with recruiting primary care providers for North Hawaii Community Hospital. From the first time I was contacted by Brian Kennedy over a year ago and learned about the work of The InLine Group, to the present, I have found everyone to be patient, proactive, supportive and extremely professional.

I have found your willingness to assist with everything from the building of our landing page to screening and follow-up with candidates to be so helpful. Your candidate summary pages and monthly progress reports have been very useful in keeping our recruitment department organized and on track.

The North Hawaii team appreciates your easy to navigate website and the eye-catching design. We also appreciate your rapid responses and the number of candidates that you have referred to us to review, as well as your policies for a continuing relationship once a position has been filled.

Thank you again for the support you provide. I look forward to our ongoing partnership!

Sincerely yours,

Susan B. Hunt, MHA
Director, Professional Services
