To Whom It May Concern:

As Physician Recruiter for Palmetto Health, current client, I am writing a reference letter for The Inline Group and their services. I have been working with them for the past 5 months in efforts to recruit physicians for multiple openings.

Starting off, The Inline Group worked closely with us to understand our needs, our organization, and our community in an effort to identify candidates that would best suit our organization and our community. In doing so, we have had numerous presentations of candidates of great quality that have resulted in further interests of employment.

I firmly believe that The Inline Group will prove an asset for your organization as well. Their production, professionalism, and hard work will surely contribute to your efforts in recruitment of physicians.

If you have any further questions regarding The Inline Group, please feel free to contact me via any of the methods below.

Best regards,
